Bird-OFF Gel

---Polybutene Free---

Pigeon & Bird Repellent
Not Avian Toxicant

For Terrestrial Use Only

Directions for Use

Bird-Off Gel repels pigeons & birds from nesting, roosting and congregating from unwanted areas like homes, schools, apartments, condo, office buildings, warehouses and any structure where pigeons and birds are an unwanted nuisance. Apply Bird-Off Gel on any surface where pigeons and birds are locating and causing unsightly/unhealthy environments. Apply to beams, patio covers, porches, ledges, gutters, window sills, cornices, electrical lines, water lines, HVAC, roofs etc.

For best results apply to surfaces that are dry and clean if possible. Remove dust, dirt and debris when possible. Bird-Off Gel may be applied to contaminated surfaces if necessary. No sealing, pre-treatment or taping is required. Do not apply in rain, snow or on wet surfaces, pooling water.

Application Directions

1. Cut tip of tube off with cutter.
2. Screw on nozzle on tip of tube and cut nozzle 1/2 way down.
3. Load and lock tube into caulking gun.
4. Apply Bird-OFF Clear Gel over the surface in a 3-4 inch zigzag or wave-like pattern, making sure the bead of gel is 1/2 inch or greater in diameter (see illustration below).

For large areas, apply multiple patterns.
To remove, use scraper or putty knife and place removed gel into trash. Wipe area with rag if necessary. If repainting surface, wash with biodegradable soap and then rinse.

**Precautionary Statements
Hazards to Humans and Domestic Animals**

CAUTION

Harmful if absorbed through skin. Causes eye irritation. Avoid contact with eyes, skin, and clothing. Wash thoroughly with soap and warm water after handling and before eating.

Environmental Hazards

To reduce hazards to legally protected species and to avoid non-compliance with the Federal Migratory Bird Treaty Act, follow all directions outlined in this label.

Storage and Disposal

Store product in a cool, dry, secure area. Keep out of reach of children. Do not store this product with food, water, or feed.

Pesticide Disposal

Waste resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

Container Disposal

Do not reuse container or tubes
